

# National Weather Service Wilmington, NC

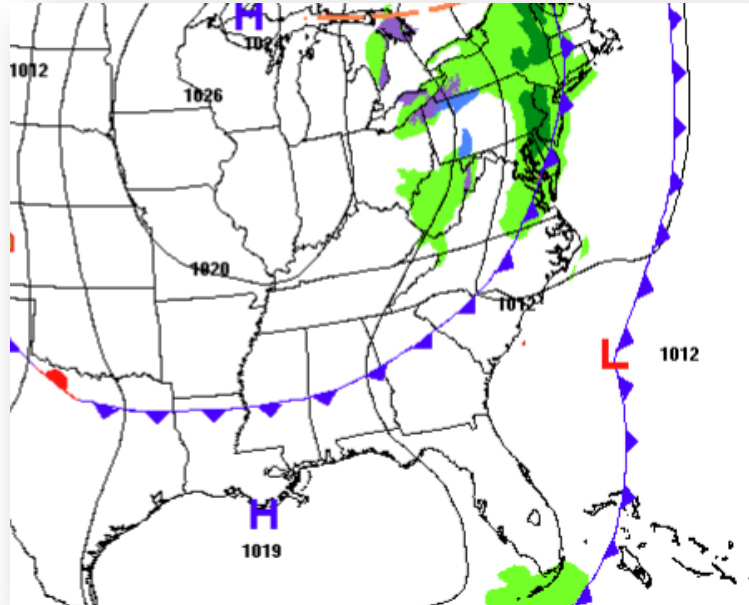

Outlook Period: Friday April 27 through Sunday April 29, 2018  
Time Issued: 9:15 AM EDT Friday April 27, 2018

Prepared by: Steve Pfaff

## Cooler weather expected by the end of the weekend

**Overview:** Low pressure will move farther away from the area today, as another cold front approaches from the west. The cold front is expected to move through with little to no chance of rain Saturday night and will bring cooler weather to the area during Sunday.

**Impacts:** No impacts expected.

WPC – Surface Fronts/Pressure valid 7 PM Sat Apr 28, 2018
