

Triple P-Positive Parenting Program

STEPPING STONES SEMINAR SERIES

Make plans to attend this series of presentations for caregivers of children with disabilities.

Seminar 1—05/02/24 • 9a-11a

Positive Parenting for Children with a Disability.

This seminar covers seven core principles of positive parenting.

Seminar 2—05/23/24 • 9a-11a

Helping Your Child Reach Their Potential.

This session will build on the foundation seminar. Through the teaching of new skills and behaviors, you will learn how to use the positive parenting principles to promote your child's development.

Seminar 3—06/06/24 • 9a-11a

Changing Problem Behavior into Positive Behavior.

This session will offer alternative and more adaptive solutions to help you manage the problem behavior of your child. You will hear about six key steps you can use to turn behavioral challenges into positive learning experiences.

All three sessions will be held at the
Region A Partnership for Children-Murphy Location
141 Peachtree Street / Suite #5, Professional Building / Murphy, NC 28906

RSVP is required one day prior to the date of the seminar. RSVP to jmiller@rapc.org. Workshops are cancelled if no RSVPs are received.
